SUBJECT: EMAIL CUOMO AGAIN! NO AMENDMENTS!

Dear Family & Friends,

I am writing to you today because I NEED YOU and other NYS residents to email Governor Cuomo. **Urge him to sign the Lyme Bill into law today – with NO AMENDMENTS!**

Simple instructions are on the **attached flyer** (http://nyclymesupport.org/SignTheBill_Final.pdf). It takes only a few minutes & even works from smartphones. **You just need to add 1-2 sentences in the "Opening Comments" box and your contact info.** **** If you previously emailed, PLEASE DO IT AGAIN, this time stressing NO AMENDMENTS! ****

Otherwise -- please read on for why this is so important to me!

Doctors in NYS who will treat chronic Lyme patients with more than the cookbook 2-4 weeks of treatment, are being harassed by the NYS medical disciplinary agency, the OPMC, despite the fact that there are published guidelines validating longer treatment. The bill I am asking you to support, S7854, would enable my doctor to treat me without fear of losing his medical license.

Please also forward this email to everyone you know who lives in NY, post to your facebook page, print flyer out and distribute to family, friends, neighbors.

You've been with me over the years as my family and I have struggled with Lyme and tick-borne disease. You have witnessed how valuable my Lyme doctors have been to my quality of life, and seen the amazing difference it's made for me. Understand I am just one of tens of thousands of sick patients that sick that have been helped.

Now realize, the doctors who pulled me out of that nightmare are the ones being targeted! Please do what you can to keep these treatments available for others.

OUR GOAL: 10 Days ~10,000 Emails.
